

Exciting opportunity for self-motivated and focused individual looking to take their career to the next level in a dynamic international M&A organisation

Millenium Associates is a leading international M&A and corporate advisor firm and currently seeking a highly motivated individual to join their London office. We are a well-established boutique firm, founded in 2000 and headquartered in Switzerland as well as having a fully owned subsidiary operating out of London. Millenium Associates specialises in M&A and corporate finance advice to both the global financial services industry, as well as to entrepreneurial and corporate business owners around the world.

The Role: Senior Analyst/Associate

The position is an essential part of both the UK and Swiss deal teams, and involves supporting all phases of an advisor transaction process from origination to execution including project management, research, detailed financial analysis, and valuation. The role will support both the FIG and Entrepreneur and Corporates practices which will mean involvement on a diverse range of projects at any given time, working on each transaction as part of a 2-4 person cross border deal-team.

Role and Responsibilities:

Support the senior team in all marketing and transaction execution activities including:

- Play a critical support role on deal processes from start to close including day-to-day project management and, where required, coordination of work streams with clients and advisers;
- Supporting the team in designing and drafting new business proposals and client deliverables;
- Performing detailed financial modelling and quantitative analysis including constructing valuation and other financial models;
- Researching industry conditions and developments and maintain information databases/repositories;
- Analysing acquisition and divestiture transactions and various attributes of publicly traded and privately held equity, debt and derivative securities;
- Contributing to and supporting marketing initiatives.

Qualifications and Education Requirements:

- Ideal candidates will have a minimum of 3 years of relevant M&A transaction experience in a major investment bank or Corporate Finance institution.
- Strong educational background including a degree from a leading university and relevant professional qualification (e.g. ACA, CFA, MBA etc.) being an advantage.
- Be FCA registered and eligible to work in the UK without the requirement for sponsorship.

Preferred Skills:

- Well-organised, detailed and adept at managing multiple projects simultaneously within tight time frames
- Hard working, entrepreneurial and driven to succeed with the ability to originate on initiatives
- Resourceful, proactive and able to effectively operate in a highly collegial but demanding cross border team

- Strong data analysis skills and highly proficient in MS Office, especially Excel
- Strong interpersonal and communication skills
- An understanding of working in a regulated environment
- Ability to pick up & digest new detail quickly
- Ability to think outside the box, solve problems and contribute ideas to the management team
- Good writing and presentation skills
- Fluent in English (written and spoken) with German and other languages being an advantage

Differentiators

- Competitive basic salary
- Discretionary bonus
- Collaborative and respectful team environment – all team members are encouraged to have a say on a transaction
- Active participation in client marketing, meetings and education
- Participate in the development of a rapidly growing firm
- Focused training and development – both formal and through mentorship

Additional Notes

- Induction is likely to include brief placement in the Swiss head office
- Will need to be able to travel (Europe and/or international) on behalf of the Group as required.
