
WealthBriefing Swiss 7th Annual Awards 2019
Hotel President Wilson, 7 February
Nominations Close on 28 September 2018 (at midnight)

Dear Wealth Professional,

A warm welcome to the ***WealthBriefing Swiss Awards 2019***. Nominations are now open and we look forward to seeing old and new faces taking part in this prestigious event.

For those new to the awards, the categories are focused around three main areas:

- Experts (individuals and teams)
- Products
- Services for wealth managers and clients/institutions of all sizes and types

As in previous years, independence, integrity and genuine insight will be the watchwords of the judging process and will be conducted by an expert panel drawn from both private banks and trusted advisors/consultants to the sector.

To avoid any conflict of interest we have three independent panels of judges. A panel of bankers who judge the trusted advisor categories, a panel of advisors who judge the banking entries and finally a technology panel of experts.

Winning an WealthBriefing Swiss Award sets organisations and individuals apart from their peers and is a tangible demonstration that they have something special to offer, rewarding achievement and showcasing top class performance and innovation.

We very much hope you take part and look forward to seeing you at the 2019 awards ceremony.
