

**Press Release**

30 January 2025

**MilleniumAssociates enhances its Global Advisory Board naming Neil Fatharly as its latest member amongst further expansion moves.**

In its 25th anniversary year, MilleniumAssociates AG, the international M&A and Corporate Finance Advisory firm based in Switzerland and the UK, confirms the appointment of Neil Fatharly as the latest member of its Global Advisory Board as from 30<sup>th</sup> January 2025.

Neil Fatharly is the founder and Managing Consultant of GHV Consulting. An asset management and fintech expert with over thirty years' experience, Neil has held senior executive distribution, product and strategy roles at T Rowe Price, M&G, Standard Life Investments and Scottish Widows, engaging with different client groups across both Europe and the UK. In addition, Neil was on KPMG's Global Investment Management Leadership Team and Head of European Hedge Funds. Most recently he has held several non-executive and advisory positions related to ESG and impact investment companies and funds. Neil is a Visiting Fellow of SAID Business School, Oxford University. Ray Soudah, Founder and Chairman of Millenium Associates remarked "We sincerely welcome Neil to our Group in our 25th year of operation which will likely see further expansion and possibly acquisitions of local and international competitors enhancing our Swiss and global footprint".

About MilleniumAssociates:

MilleniumAssociates is an independent international M&A and Corporate Finance Advisory firm based in Switzerland and the UK. Celebrating twenty-five years in the industry, MilleniumAssociates was founded in 2000 by Ray Soudah and is owned by its partners and management, meaning it is uniquely positioned to offer independent and non-conflicting advice to clients. The firm specialist Financial Services Practice focuses on transactions for the global financial services industry, in particular the global wealth, asset management, private banking, fintech and private equity sectors. Additionally, the firm has built on this M&A expertise and experience and established an additional Entrepreneurs and Corporates

Practice in order to extend their M&A, corporate finance services and capital raising activities to the clients of private banks as well as corporates and entrepreneurial business owners globally. Infrastructure projects in the energy and alternative energy space are an increasingly important feature of its services.
